REQUEST FOR EXTENSION OF TIME

United Communications Corporation ("UCC") filed a Petition for Special Relief in the captioned matter on February 19, 2016. On March 11, 2016, CBS Broadcasting, Inc. and Fox Television Stations submitted oppositions to the Petition. The same day, New Ulm Telecom requested an extension of time to file an opposition to the Petition, until March 31. UCC consented to that request, and it was granted by email from Policy Division of the Media Bureau on March 17.

Under Section 76.7(c) of the Commission's rules, replies to oppositions are to be filed within ten days. Because the oppositions were served on UCC by mail, an additional three days is included in the computation per Section 1.4(h).

Accordingly, but for the imminent filing of New Ulm Telecom's opposition, UCC's reply would be due March 24, 2016. However, the proper reference date for computing UCC's reply deadline is the date New Ulm Telecom's opposition is lodged. Otherwise, UCC could not comply with the requirement that replies "shall be limited to matters raised in the oppositions, and the response to all such matters shall be set forth in a single pleading; separate replies to individual oppositions shall not be filed." Section 1.45(c). UCC's consolidated reply then would be due ten days from the date of New Ulm Telecom's filing (adding three days if New Ulm Telecom's pleading is served by mail).

Because it is believed that the correct due date under the rules for UCC's reply will be April 13, the instant Request for Extension of Time may not be necessary, but it is being tendered in an abundance of caution. Counsel for the petitioner has advised counsel for the opposing parties of this request. Counsel for CBS has graciously consented. The petitioner has not heard back in response to the message left with counsel for Fox.

Respectfully submitted,

**UNITED COMMUNICATIONS
CORPORATION**
